

Go to the school website.

www.seaview.school

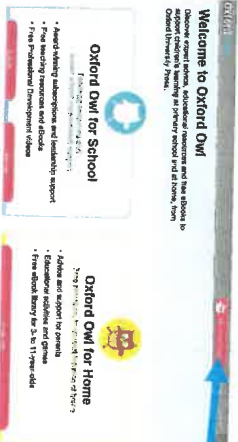

Click on the children's sign.
Then click on 'Virtual Base Camp'.

Click on the Oxford Owl icon.

Click on 'My class login' at the top of the website.

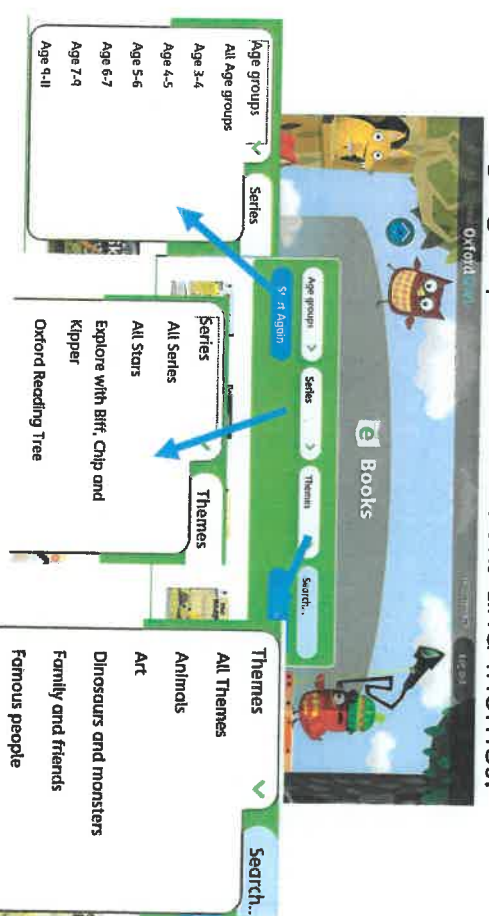

Username: **seaview26**
Password: **seaview26**

Click on 'My bookshelf'.

You are able to search the online bookshelf for different age groups, series of books and themes.

Once you have picked your book, it will open up on a new tab.

Example below:

Play

It will read all the words on the page.

Turn the page

Some of the books have **activities** you can complete.

How to use j2e

Go to the school website.
www.seaview.school

Click on the children's sign.
Then click on 'Virtual Base Camp'.

Click on the Hwb icon.

Log in using your Hwb
username and password.
You can find this on your Digital
Passport.
e.g. ionesb1@hwb.cymru.net

Click on the waffle (nine squares) and
select j2e. This will open a new tab.

Key Information

Make sure you save your
work before turning off. It
does not save
automatically.
Look for this sign:

All pupil's work can be found
here. So pupils can return to
pieces of work to finish at a
later date.

A range of links for phonics and
spellings resources.

Percy Parker – songs to help you
learn your times tables.

This has a wide range of tools to
draw, type, animate or code.

This is a blank page for pupils
to write in length. They are
able to add pictures as well.

If you make something, you could
take a photo and upload it to this
folder for your teacher to see.

Teachers are able to share tasks
in this folder for pupils to
complete.
